Circular no: CSGN/2022-23/Parent circular 18

Dear Parent,

In compliance with the orders of the honourable Supreme Court dated 03rd May 2021, the Allahabad High Court order dated 06th January 2023, and the govt. of UP, please note that annual school fees payable for the academic year 2020-21 has been reduced by 15%.

This implies that parents who remitted the full fees to school are entitled to the refund/adjustment of the excess amount paid by them.

The school has initiated the process of refund/adjustment, which will shortly reflect on the online portal/ERP. The amount will be reduced from the next fee payable for your ward.
